

MABALACAT CITY COLLEGE

Institute of Business and Computing Education |

1st Semester, A.Y. 2025-2026

Guidelines on Creating a Position Paper

- Each group should have 4 to 5 members only.
- Each group is allowed to submit one (1) topic only.
- Create a unique title for your paper; it should be related to your program.
- Every week, all groups are required to send a picture of themselves doing their paper or the status of the paper for an update.
- The pictures you will be sending are graded as one (1) activity.
- Always ask permission from the instructor you choose to interview for your paper as part of the Data Privacy Act of 2012.
- Don't forget always to include references in your paper to avoid plagiarism.
- Used only the paper format that your course instructor has given you.
- Submit the hard copy of your final position paper on or before **December 4, 2025**.

Guidelines on Creating an Infographic Poster

- Each group should have 4 to 5 members only.
- Each group is allowed to submit one (1) entry only.
- Give your poster a unique name or title; it should be related to your program.
- Every week, all groups are required to send a picture of themselves working on their poster or the status of the poster for an update.
- The pictures you will be sending are graded as one (1) activity.
- All poster entries should be computerized/digitized.
- Submit the hard copy of your infographic poster on or before **December 4, 2025**.
